		Total to Pay:	\$

NOTE 1: "Members" means the total membership numbers excluding Life Members who are inactive. i.e. have not attended for two years. Please try and estimate, as well as possible, the average number of members that you are likely to have during the 2019 year. The insurance company may use the number of registered members for legal purposes; a large discrepancy between numbers paid for and the actual club number of members could be an issue in the event of a claim.

Where numbers increase by 10% during the year clubs are expected to remit a top up payment.

NOTE 2: Your affiliation includes one email copy of Newsbrief and a free listing in the Clubs Register on the VAPS website, Clubs are strongly encouraged to re-distribute the VAPS Newsbrief to club members.

NOTE 3: VAPS Newsbrief is sent via email to the club Secretary. Free email subscription is also available from the VAPS website under the NEWS tab; clubs and members can subscribe there for a direct copy.
